

**ECO-ENERGETICS:**  
technologies, environment, law and economy

**Current Volume**

Articles published online in Vol. 2 (2019) will be published in print after the current volume has been closed. The current article page numbers will be saved in the printed version.

On the journal's website:  
<https://eco-EnergeticsJournal.eu/>  
available:

- (a) on-line version (each article in open-access mode);
- (b) list of journal reviewers and rules for reviewing articles and guidelines for authors

The printed version is the reference version of the journal
